DISTRICT OF UTAH

Secretary" of The Utah Assembly fully assembled and in session.

Attached as Exhibit 1. Proving that I am a private living man, fully alive and NOT the DEAD CORPSE, NOM DE GUERRE, GORDON PEDERSEN, fraudulently created by the STATE OF UTAH. I am :Gordon: Hunter-Pedersen, *non-corporate entity, tertius Interveniens*. Not dead or lost at sea, but living and breathing, alive with a "heart-beat." Our blood flows and our flesh lives and no thing comes between us and God.

1. Living Men and Woman are a "Protected People" engaged in International Trade, under the International Sovereign Immunities Act owed the "Law of Peace." Any harm resulting from Trespass upon Living Men and Women, American State Nationals are subject to full commercial liability & penalties (up to 20 years prison), 18- USC 233, 18 USC 1341, 1342. 2. The Court and it's Officers can only interact with either a Corporation, Trust or "Ward of the Court" and the Contracts between them, and cannot interact with a live "human" or "people!" Under the Corpus Juris Secundum (CJS), (means "body of law"). The Court must have a Contract to conduct business.

The State District Courts have NO Contract with Living People, American State
National's without my Consent!

US v Minker, 350 US 179 at 187(1956) Supreme Court of the United States 1795 *"Inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. The legal manifestation of this is that no government, as well as any law agency, aspect, Court, etc. can concern itself with anything other than corporate, artificial persons and the contracts between them."* S.C.R. 1795, Penhallow v. Doane's Administrators (3 U.S. 54; 1 L.Ed. 57; 3 Dall. 54, Supreme Court of the United States 1795, [Not the "United States Supreme Court"-ed.]

3. Corpus Juris Secundum Section 16, Page 892: FACT OF DEATH: Death of the person on whose estate administration is sought is a jurisdiction requisite; and while the presumption of death arising from absence may present a prima facie case sufficient to warrant a grant of administration, yet if it subsequently develops that such person was in fact alive, the administration is VOID! While it is true that the presumption of death arising from a person's absence, unheard from, for a considerable length of time, see "Death Section 6", may present a prima facie case sufficient to warrant a grant of administration on his estate, the arising of such presumption does not take the case out of the operation of the general rule on the subject, and if it is made to appear that the person was in fact alive at the time such administration was granted, the administration is absolutely void!
